Introduction: Promoting Adolescent Resiliency	1
Basis for the Second Edition	3
Definitions and Terminology	5
Program Rationale	5
<i>Provider's Guide</i> and <i>Participant's Workbook</i>	6
Fundamental Principles for Criminal Conduct and Substance Abuse Treatment	7
General Principles for Understanding Adolescent Problem Behavior	7
Correlations Among the Various Problem Behaviors	10
Culture and Gender	11
Target Groups and Admission Criteria	12
Principles of Intervention	12
How This <i>Provider's Guide</i> Is Organized	12
SECTION I. THEORETICAL AND RESEARCH PERSPECTIVES	19
Chapter 1 Adolescent Development and Pathways to Problem Behavior	21
Introduction: Domains of Adolescent Maturation and Development	23
The Deviant Career	27
Pathways to Adolescent Problem Behavior	30
Scope of Adolescent Substance Abuse	38
Antecedents and Correlates of Adolescent Drug Abuse	38
Summary of Risk and Protective Factors for Delinquency and Substance Abuse in Adolescents	40
Empirical Studies of Resiliency: Buffers Against Adolescent Problem Behavior	45
The Offset of Risk and Resiliency in Adolescent Adjustment	47
A Strengths-Based Approach to Juvenile Justice and Treatment Services	51
Chapter Review	52
Chapter 2 Causes, Correlates, and Consequences of Adolescent Substance Abuse	55
Current Patterns of Adolescent Substance Abuse	57
Imminent Drug Threats	58
Factors Associated With the Onset of Adolescent Substance Abuse	64
Mediating Factors in Adolescent AOD Abuse	65
Adolescent Drinking and Driving	67
Adolescent Drug Use and Criminal Conduct	70
Variations in AOD Abuse Across Gender and Ethnicity	73
Chapter Review	74
Chapter 3 Co-occurring Substance Abuse and Mental Disorder	77
The Scope of Adolescent Mental Health Issues	79
Disruptive Behavior Disorders and Diagnostic Criteria	80

	Personality Disorders	94
	Post-Traumatic Stress Disorder (PTSD)	94
	Treatment Guidelines for Co-occurring Substance Abuse and Mental Disorder	98
	Psychotherapeutic Medications for Children and Adolescents.	100
	Chapter Review.	101
Chapter 4	Substance Abuse and the Adolescent Brain.	103
	The Human Brain: A Fast Idiot.	105
	The Adolescent Brain	111
	Alcohol	112
	Methamphetamine: Need a Sudafed?	116
	Cocaine in the Brain	118
	Marijuana: “Reefer Madness” Revisited	120
	Opiates: Everyone Makes Them	124
	Ecstasy: Let’s Party	125
	Inhalants: How Stupid Can You Get?	126
	Hallucinogenic Drugs: Chemical Vision	127
	Tobacco: The Ultimate Drug.	129
	Chapter Review.	131
Chapter 5	Juvenile Crime and Violence	135
	Characteristics of Juvenile Delinquency	137
	Adolescence and Deviant Subculture	139
	Correlates of Juvenile Delinquency and Crime	141
	Theories of Adolescent Crime	143
	Developmental Aspects of Adolescent Crime	146
	Transient Versus Stable Patterns of Delinquency and Crime.	147
	Trends in Juvenile Violence	152
	Implications for Treatment and Policy: A Developmental Perspective on Juvenile Justice	157
	Chapter Review.	159
Chapter 6	Addressing Gang Culture in the Context of Treatment	161
	Introduction	163
	Extent of Youth Involvement	169
	Law Enforcement Strategies	169
	Context of Youth Gang Affiliation	171
	Approaches to Prevention, Intervention, and Treatment	173
	Gang Treatment Curricula.	179
	Challenges.	183
	Chapter Review.	183
Chapter 7	Female-Focused Treatment in the Juvenile Justice System.	185
	Introduction: Gender Differences Among Juvenile Justice Clients.	187
	The Nature of Female Adolescent Offending	188
	Juvenile Victims of Crime	189
	Risk Factors More Specific to Female Juvenile Offenders	190

	Psychological Consequences of Violent Trauma in Adolescence	194
	Gender Norms and Adolescence	195
	Girls and Gangs	195
	Experiences of Girls Within the Juvenile Justice System	196
	Community Reentry	198
	Implications for Treatment and Policy: What Factors Reduce Recidivism?	198
	Gender-Specific Strategies and American Psychological Association Guidelines for Female Treatment	198
	The Therapeutic Alliance: What Makes an Effective Counselor?	201
	The Therapeutic Environment	202
	Therapeutic Intervention With Female Adolescent Judicial Clients	204
	Goals of Treatment With Female Adolescent Judicial Clients	206
	Individualized Plans for Reentry and Transition	208
	Support for Service Providers	210
	Chapter Review	211
Chapter 8	Youth Culture and Diversity	213
	Introduction: Defining Culture and the Importance of Cultural Awareness	215
	Ethnic and Racial Identity	216
	Adolescent Subcultures	218
	Cultural Competence	221
	Chapter Review	222
	SECTION II. FOUNDATIONAL TREATMENT MODELS: EVIDENCE-BASED APPROACHES	225
Chapter 9	Treatment Systems, Modalities, and Models of Care	227
	Introduction	229
	Individual Approaches to Treatment	229
	Family Therapies	232
	Residential Treatment: The Therapeutic Community	238
	Treatment Curricula	240
	Chapter Review	241
Chapter 10	The Cognitive-Behavioral Model and Core Treatment Strategies for Adolescents	243
	Introduction: The Era of Self-Regulation	245
	Evolution of the Cognitive-Behavioral Model	246
	The Cognitive-Behavioral Map for Learning and Change	250
	Cognitive-Behavioral Structures and Processes Underlying AOD Misuse and Delinquency	252
	Cognitive-Behavioral Methods and Approaches	254
	Cognitive-Behavioral Treatment for Adolescents	256
	Core Strategies in the Treatment of Adolescent Substance Abuse and Criminal Conduct	259
	Chapter Review	269
Chapter 11	Community Reintegration: Reinforcing Change Through Continuing Care	271
	Introduction: The Unwanted Stepchild of the Juvenile Justice System	273
	Needs of Youth Entering Aftercare	274

	An Existing Model of Aftercare: Intensive Aftercare Program (IAP).....	279
	Other Promising Aftercare Programs	284
	Family Interventions During Aftercare	287
	Neighborhood Effects	287
	Chapter Review.....	288
SECTION III. OPERATIONAL GUIDELINES.....		291
Chapter 12	Guidelines for the Assessment of Juvenile Justice Clients	293
	Introduction: Overview of the Assessment Process.....	294
	Multidimensional and Convergent Validation Model of Assessment.....	294
	Guidelines for Using Assessment Instruments.....	300
	Determining Inclusion in a Substance-Abuse Category.....	301
	Determining Inclusion in a Delinquency or Criminal Category.....	305
	Interpreting Findings and Weighing Risk of Error	306
	Levels of Service Model	308
	Process and Structure of Assessment	308
	Special Focus Areas for Clients in the Juvenile Justice System	318
	Youth in Corrections Progress and Change Evaluation (PACE) Monitor	323
	Chapter Review.....	323
Chapter 13	Methods and Procedures for Program Delivery.....	325
	Introduction	327
	Characteristics of the Effective Juvenile Justice Treatment Counselor.....	327
	The Process and Structure of Program Delivery	331
	Reflective Therapeutic Confrontation in Managing Resistance and Ambivalence	336
	Ethical and Legal Considerations in Screening and Assessment	337
	Client Participation Guidelines and Ground Rules	339
	Intake and Admission Methods and Procedures	341
	Principles of Effective Group Leadership	341
	Methods and Techniques for Engaging Involvement and Learning.....	343
	Operational Model for Assessment	347
	Chapter Review.....	352
SECTION IV. THE TREATMENT CURRICULUM: PRESENTATION GUIDELINES		353
Chapter 14	Guidelines for Session Delivery: Pathways to Self-Discovery and Change (PSDC) Program Orientation	355
SECTION V. ADJUNCT PROVIDER'S GUIDE FOR TREATING FEMALE JUVENILE JUSTICE CLIENTS		459
Chapter 15	Gender-Focused Session Enhancements	461
	Relaxation Exercises: Summary of Relaxation and Stress Management Skills.....	506
Appendices		509
References.....		555
